## WELCOME TO HORROR-THON '91

We would like to thank everyone attending **SON OF HORROR-THON** this weekend. The staff of **HORROR-THON** hopes that you'll have a great time and get to meet some of your favorite stars of the sci-fi/horror genre. We're very proud to have joining us for the weekend and also being our host, *T.V. horror show host* "LEGEND" ZACHERLE. Joining him will be our special guests, **BUTCH PATRICK**, star of the classic *T.V. series* "THE MUNSTERS", **HERSCHELL GORDON LEWIS**, "The Godfather of Gore" and creator and director of the classic cult films "2,000 Manics" and "Blood Feast" and **FORREST J. ACKERMAN**, editor of "FAMOUS MONSTERS OF FILMLAND", golden age editor for "FILMFAX", author and originator of the phrase "SCI-FI". We are extremely proud to have "MR. SCI-FI" join us for the weekend. We're also glad to have with us our special co-host, **RICK SULLIVAN**, editor of N.J.'s own "GORE GAZETTE".

Also joining us for the weekend will be **ROBERT ALDENMAY** and his company **CINE F/X Studios**. They will be doing live make-up demonstrations in the main room all weekend long and have the greatest selection of make-up supplies for sale.

It's a pleasure for us to also have at **SON OF HORROR-THON**, New Jersey's own **BOB MARTIN**. Uncle Bob, as his friends call him, was the original editor of "FANGORIA" magazine for seven years. He co-starred with Zacherley in the cult film "GEEK MAGGOT BINGO", did the novelization of the film "BRAIN DAMAGE", and was a zombie in "DAY OF THE DEAD". Recently he was co-writer on Frank Henelotter's film "FRANKENHOOKER" and both are currently working together on another film that promises to be their most elaborate production yet. You'll be able to talk to Bob at the **HOLLYWOOD BOOK & POSTERS** booth, located in the main room.
