### INGRID PITT

The sensuous star of Hammer Studios' *The Vampire Lovers* and *Countess Dracula*. Her first prominent role was in *Where Eagles Dare*. For Hammer, she brought a sense on unabashed sexuality to her gothic vampire characters, and used that quality against her male victims in *The House That Dripped Blood* and *The Wicker Man*. Joining Ingrid will be her husband, British sci-fi and horror author Anthony Rudlin. Anthony will be on hand to tell you about their new film *Dracula Who?*

### MONIQUE GABRIELLE

This stunningly beautiful and versatile young actress started her career in such comedies as *Young Doctors In Love*, *Hot Moves*, and *Bachelor Party*. She quickly moved on to such films as *Deathstalker II*, *Return Of The Swamp Thing*, *Amazon Women On The Moon*, and *Transylvania Twist*. Her recent films include *Angel Eyes*, *Emanuelle IV*, and *Evil Toons*. She was a recent guest on Joe Bob's Drive-In Theater and is interviewed in the second issue of *Femme Fatale*.

### ZACHERLE

Host of TV's Chiller Theatre and Shock Theatre, Zacherle has been a disc jockey on WNEW-FM, CBS-FM and currently has a Saturday morning radio show on 92.3 K-Rock. He has appeared in such films as *Brain Damaged* and *Frankenhooker* and recorded many classic songs including "Dinner With Drac". Recently, "The Cool Ghoul" has released a cassette featuring the single "Zach is Back." His new songs will premiere at the convention this week end.

### BRUCE CAMPBELL

First seen as the hapless hero of Sam Raimi horror classic *The Evil Dead*, Campbell's comic twist on the Ash character in *Evil Dead 2: Dead By Dawn* put the spotlight on this handsome, good-humored actor/producer. He went on to star in such genre fare as *Maniac Cop 1 & 2*, *Moontrap*, and *Sundown: The Vampire In Retreat*. Fans eagerly await his return to the Deadites in Raimi's *Army of Darkness*, the third *Evil Dead* film.

### ROBERT CLARKE

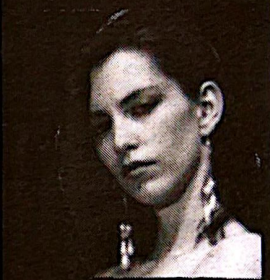

Best remembered as the star and director of the 1959's *The Hideous Sun Demon*, Clarke started out in such memorable films as *The Body Snatcher*, *Dick Tracy Meets Gruesome*, *Beyond the Time Barrier*, *Captive Women*, *The Incredible Petrified World*, and *The Man From Planet X*. He recently co-starred with Brinke Stevens in Fred Olen Ray's *The Haunting Fear*. It will be a pleasure for us and all fans of the original Chiller Theatre TV show to meet one of their favorites.

### VERONICA CARLSON

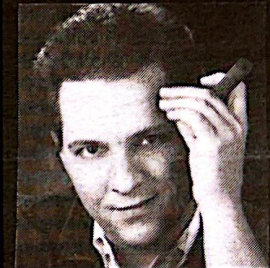

This beautiful former art student and model's aura of innocence made her an exciting ingenue for Hammer Studios. Her long blond hair and even longer legs proved too much temptation for Christopher Lee in *Dracula Has Risen From The Grave* and for Peter Cushing in *Frankenstein Must Be Destroyed!*, while her chastity proved unbearable for Ralph Bates in the *Horror of Frankenstein*. She was interviewed in *Femme Fatales* #1.

### DEBBIE ROCHON

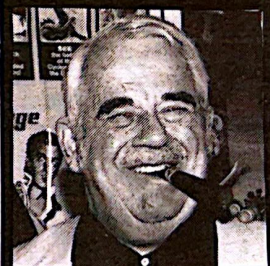

The dark-eyed beauty recently completed a starring role in the kinky comedy chiller *Do You Like Women?*, based on a 1963 French film scripted by Roman Polanski. The young actress/model has appeared in *Lonely In America* (with Spike Lee), *Party, Inc.* (with Marilyn Chambers), and Roberta Findlay's *The Lurkers*. Debbie is also a featured writer for *Femme Fatales* magazine.

### FRED OLEN RAY

Prolific producer/director of micro-budgeted sci-fi and horror films, Ray's love for the genre is boundless. Films like *Hollywood Chainsaw Hookers*, *The Tomb*, *The Phantom Empire*, and *Cyclone* have helped launch the careers of current genre celebrities such as Michelle Bauer, Linnea Quigley, and Jeffrey Combs. Ray's recent films include *Little Devils*, *Inner Sanctum*, *Evil Toons*, and *The Haunting Fear*. Ray was profiled in the premiere issue of *Femme Fatale* magazine.

### DAVE FREIDMAN

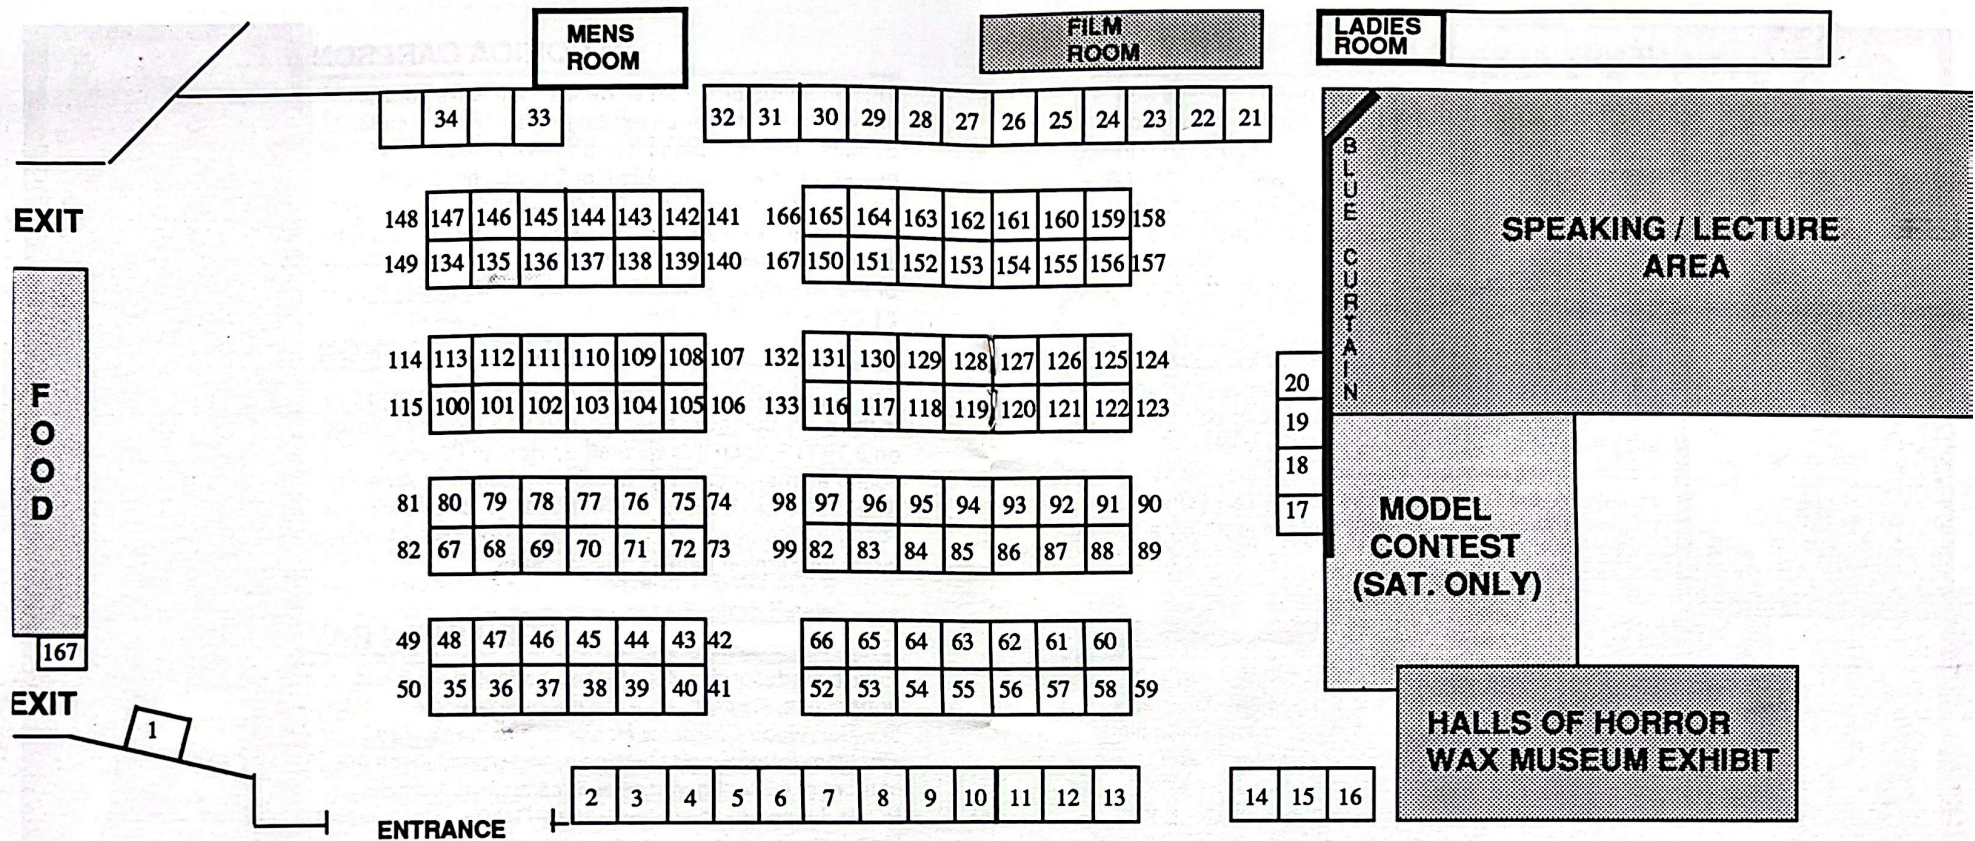

Known as "The Mighty Monarch of the Exploitation Film World." This innovative producer, writer, and director was the force behind some of the most notorious exploitation pictures of the 60's and 70's including *Bloodfeast*, *Two Thousand Maniacs*, *Color Me Blood Red*, *The Defilers*, and *The Erotic Adventures of Zorro*. Friedman wrote the highly acclaimed book "Youth in Babylon" and its much awaited sequel "Kings of Babylon" (which will be released later this year.)

### ROBERT QUARRY

Aristocratic star of *Count Yorga*, *Vampire*, *Return of Count Yorga*, *Madhouse*, and *Dr. Phibes Rises Again*. He starred as a chilling, Manson-type vampire guru in *The Deathmaster*. For director Fred Olen Ray, Quarry has appeared in *Cyclone*, *Commando Squad*, *The Phantom Empire*, and *The Haunting Fear*. Being one of our favorites we welcome him to New Jersey.

Johnny's pal "The Aztec Mummy" will be joining him on this trip.

### RICK SULLIVAN

Master of Ceremonies for our third year and just back from his honeymoon, the "Goremeister General" will keep events lively for the weekend. Editor of the *Gore Gazette*, (going into it's lucky 13th year and still making enemies!) the most controversial fanzine ever printed. Rick has appeared in *People* magazine, *The Morton Downey Jr. Show*, and many other publications for his expertise on the horror and gore film. Once again Rick will be running our auctions for the week end.
