### SAM SHERMAN

This producer of low-budget exploitation films in the 60's and 70's often teamed with schlock director Al Adamson to crank out such cult classics as *Angel's Wild Women*, *Cinderella 2000*, *Dracula vs. Frankenstein*, *Horror of the Blood Monsters*, and *Satan's Sadists*. These films were released through Sherman's Independent-International Pictures Corporation. Sam will be introducing *Ship of Zombies* in the film room today.

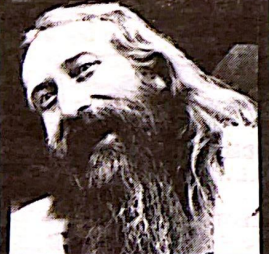

### DEBBIE ROCHON

This pretty, petite New York stage actress is also a contributing writer for *Femme Fatales* magazine. Her film credits include *Lonely In America*, *Party, Inc.* (with Marilyn Chambers), *The Lurkers* and the cannibal comedy *Do You Like Women?* She is slated to star with Jeffrey Combs (*Re-Animator*) and Veronica Carlson in the upcoming *Horror Hotel* remake, *Raven's Inn*, and will be featured in the erotic vampire thriller, *Valerie*, with Brinke Stevens.

### ALISON WOODWARD

An accomplished dancer and professional model, this haunting beauty's growing list of film credits include *Angel Heart*, *Deadly Illusions*, *Before God*, *Circle of Faith*, and *Do You Like Women?* She will soon join her *Do You Like Women?* co-stars Maria Pechukas and Debbie Rochon in the sensuous vampire tale *Valerie*, and serves as the model for "Ramona," a female succubus, in the soon-to-be-released horror comics anthology *Ghoulish Goodies For Rotten Apples*.

### JOHNNY LEGEND

The "Rock-A-Billy Wildman" of exploitation and sleaze began his film career in the 1970's appearing in such cult films as *Teenage Cruisers* and *Pot, Parents, and Police*. His current film roles include *Bride of the Re-Animator* and *Severed Ties*. When not promoting wrestling can be found rock n' rollin with his band or putting together video compilations such as the notorious Sleazemania series. Johnny's pal "The Aztec Mummy" will be joining him on this trip.

### RICK SULLIVAN

Master of Ceremonies for our fourth year and still going strong, the "Goremeister General" will keep events lively for the weekend. Editor of the *Gore Gazette*, (now into it's lucky 13th year and still making enemies!) the most controversial fanzine ever printed. Rick has appeared in *People* magazine, *The Morton Downey Jr. Show*, and many other publications for his expertise on the horror and gore film.
