SOMETHING WEIRD VIDEO™

# Coffin Joe's VISIONS OF TERROR!

Something Weird Video is proud to present, by special arrangement with Jose' Mojica Marins...

See for yourself what makes this category-defying man one of the most original visionaries the World Cinema has ever produced! HE'S BACK! Brazil's first-and-foremost horror director has returned with 5 more deliriously brilliant, frenzied VISIONS OF TERROR! Due to the completely overwhelming response to our first 4 Coffin Joe tapes, we are confident you won't be let down. Watch these... and HE WILL COME!

## COFFIN JOE'S VISIONS OF TERROR

1963-1986 b&w and color

14 trailers from the archives of Brazil's splattermeister, including classics: *At Midnight I Will Take Your Soul*, *The Strange World of Coffin Joe*, *Awakenings of the Beast*, and *Hallucinations of a Deranged Mind*, plus a spectacular 20-minute installment from the movie *Trilogy of Terror* (1968), called *Macabre Nightmare*, about a guy who dreams about being buried alive. Guess what happens to him? A GREAT introduction to Mojica's work!

## PERVERSION

(Estupro - Perversao) 1978 color

This movie is sick! Marins plays a millionaire with bizarre sexual habits. In one of his most "inspired" moments, he bites off a girl's nipple only to show it as a trophy to his friends. The original title *Estupro* (rape) had to be changed due to censorship.

## THE END OF MAN

(Finis Hominis) 1971 b&w

This is Marins' "serious" movie. He plays Finis Hominis, a preacher with alleged supernatural powers. See Mojica waking up the dead, curing paraplegics and penetrating the psychedelic world of the hippies. A very interesting study on the exploration of faith and mysticism.

## THE STRANGE HOSTEL OF NAKED PLEASURES

(A Estranha Hospedaria dos Prazeres) 1975 color

Produced by Jose' Mojica Marins and directed by his disciple Marcelo Motta, this horror movie shows Mojica as the owner of a haunted hostel where the guests can make their most abnormal dreams come true. The many bizarre scenes invoke the same ambience as his earlier banned film *Awakenings of the Beast* (1968). There's plenty of violence.

## THIS NIGHT I WILL POSSESS YOUR CORPSE

(Esta Noite Encarnarei no Teu Cadaver) 1968 b&w w/color insert

In this sequel to the classic *At Midnight I Will Take Your Soul*, Ze do Caixao (Coffin Joe) continues his search for the perfect woman that will give him a perfect child. This film has some of the most intense horror scenes of Mojica's career. See him crushing people's heads in his horror chamber, torturing innocent women with 50 real tarantulas and finally meeting the incarnated spirits. The movie is in black & white, except for an outstanding sequence in which Coffin Joe is dragged to Hell, where he is forced to watch all kinds of atrocities. The poster for this movie reads: "SEE HELL IN COLOR!"

And don't miss these amazing titles:  
**AT MIDNIGHT I'LL TAKE YOUR SOUL (1963)**  
**STRANGE WORLD OF COFFIN JOE (1968)**  
**AWAKENINGS OF THE BEAST (1968)**  
**HALLUCINATIONS OF A DERANGED MIND (1970)**

Berryman first appeared in 1975's *Doc Savage* and, as one of the mental patients in *One Flew Over the Cuckoo's Nest*. His role as "Pluto" in *The Hills Have Eyes* (77) established him in the horror / sci-fi arena. Subsequent stints include *Deadly Blessing* (81), *The Hills Have Eyes, Part 2* (84), *Cut and Run* (85), *The Barbarians* (87) and *Aftershock* (88). Recent roles include *Beastmaster 2* (91), *Evil Spirits* (91), *The Haunting Fear* (91), and *The Guyver* (91).

## GUNNAR HANSEN

Hansen's portrayal of "Leatherface" in Tobe Hooper's classic *The Texas Chainsaw Massacre* (1974) defined modern movie maniacs for the past two decades. With no dialogue and his face hidden behind a hideous mask, Hansen pulled off his amazing performance with body language and his imposing presence. He has also appeared in *The Demon Lover* (74) and *Hollywood Chainsaw Hookers* (88). His most recent film *Nightswarm* will be released later this year.

## FRANK HENNELLOTTER

Hennenlotter's directorial debut, 1982's *Basket Case*, rose above its poverty-row budget and amateur performances to become one of the best shockers of the eighties. He took the same potent directing style, adding a strong anti-drug message, to 1988's *Brain Damage*. In 1990, he proved his flair for mixing horror and comedy with *Basket Case 2* and *Frankenhooker*. For *Basket Case 3: The Progeny*, he mixed horror, comedy and music.

## DAVE STEVENS

One of the top contemporary pin-up artists, Stevens is also the creator of the popular comic book hero *The Rocketeer*, which inspired the major feature film from Walt Disney Productions. His renderings of fifties pin-up queen Betty Page are highly collectible, and brought about the recent resurgence in Page's popularity. He created the cover art for for the Harris Comics collections *Vampirilla: Transcending Time & Space* and *Vampirilla: A Scarlet Thirst*.

## BASIL GOGOS

Something Weird Video presents by special arrangement with JOSE MOJICA MARINS...

**THE STRANGE WORLD OF COFFIN JOE**

ALL NEW!

Strange isn't the word... When we say there is no way to describe the films of Brazil's first and foremost horror director, Jose Mojica Marins, it isn't clever hype designed to get you to buy the movies! It's a fact! They simply defy description! Themes of violent psycho-sexual horror are played out so excessively, and in such a weird atmosphere, that your favorite European horror directors will seem almost mainstream in comparison! And now, S.W.V. is proud to present—by arrangement with Coffin Joe himself—4 of the mad genius' best films translated into English for the first time with highest quality, easy-read SUBTITLES! Once you've taken the trip into THE STRANGE WORLD OF COFFIN JOE, you'll never be the same again!

First Time On Video!  
SUBTITLED IN ENGLISH!

ALL HORROR!

**AT MIDNIGHT I'LL TAKE YOUR SOUL**  
• 1963 •

The first appearance of Coffin Joe (Jose Mojica Marins). The evil hero is a grave-digger who haunts a small town in search of the woman who will give him the perfect son to continue his legacy of horror. A classic of South American Horror, this is a gruesome piece of art and a masterpiece of gore and blood. Makes *Night of the Living Dead* look like *Driving Miss Daisy*! A movie that hasn't lost its power after 30 years and a must-see for all of Mojica's fans!

**STRANGE WORLD OF COFFIN JOE**  
• 1968 •

3 episodes of blood, horror and despair. The first story shows a bizarre dollmaker whose creations look almost human. Almost? In the second story, Mojica shows us the pleasures and dangers of necrophilia. Then, in the third episode—in order to prove his theory that love is dead—Coffin Joe (Mojica) appears disguised as a doctor. He captures and tortures a couple of non-believers in the most bizarre, cruel and nail-biting moments ever put on celluloid.

**AWAKENINGS OF THE BEAST**  
• 1968 •

This movie is so grotesque—and so ahead of its time—that the Brazilian military dictatorship banned it from video and theatres for 18 years! 'The Beast' of the title is LSD. Mojica shows the suffering of a drug user who is tormented by visions of terror and pain.

It's like *The Haunting* on acid! *Awakenings of the Beast* is a psychedelic jigsaw of violence and incredible images.

**HALLUCINATIONS OF A DERANGED MIND**  
• 1970 •

Mojica put together all the scenes that were censored by the military dictatorship in Brazil in one movie! *Hallucinations of a Deranged Mind* shows the curse of a young man haunted in his dreams by Coffin Joe. For the first time, Mojica's fans can see the banned scenes from over ten of his movies! It's a mix of color and black & white scenes which prove the genius of this director and actor.
