Chiller Theatre Model Seminar Schedule

Saturday

11AM: Anime 202: Model Maniacs Staffer and resident Gaijin in Paradise Jim O'Neil, returns to the shores of Chiller Theatre with more tips and tricks he's picked up in Japan. You'll never look at Anime, let alone modeling the same again.

12:30: Garage Kits Made Easy: Professional build up Artist Frank Orlando's First seminar at Chiller promises to be a good one. Frank will show tried and true technique's that will ease your fears of the often-scary world of Building and Painting Garage Kits.

1:30: Introduction to assembling Models: Tony Wootson is an avid Styrene kit builder and Sci Fi kit fan. Join Tony as he takes you through a step-by-step guide to building styrene kits and filling seams in his first Styrene made Simple seminar at Chiller.

2:30: Molding and Casting 202: Smooth-On manufactures a wide variety of Liquid Rubbers, Plastics, and Foams for molding and casting applications. Come join Smooth-On's Brad Frikkers and see how these materials can be used to create unique molds and finished pieces for Model Kits, Sculpture, and Movie Special Effects.
