– • • – A FEW WORDS FROM MR. CHILLER – • • –

It seems like only yesterday that we were getting ready to put on our first show in the autumn of 1990 and now, here we are 20 years later! The first show was relatively small compared to the Chiller Theatre Expo's of today, but one thing remains the same...Our love of horror, science fiction, and fantasy films! Adding a touch of television classics and a pinch of rock and roll..... and having guests appear that no other conventions would even think of getting as guests and we've come up with a winning recipe!!

One of the reasons I started doing this was because I was a big fan of Zacherle the cool ghoul, and to get him to become our host for the show 20 years ago was a dream come true! Zach once told me that Chiller to him was like Tanna Leaves to the mummy. Every six months he would come out to Chiller and get rejuvenated! Well the truth is that Zacherle is to Chiller as the Tanna Leaves are to the mummy because he rejuvenates all of US every six months! There will never be another one like you! So, I just want to say "Thank you Zach for the past 20 years! To me, and thousands of others, you ARE Chiller!!

The majority of the people that helped me put on that first show are still with me to this day! I want to say thanks to my family, all of the senior staff, and all the helpers over these many years! I've made some amazing friends along the way and still make new ones with every passing show!

My hope is to continue doing whatever were doing and maybe we'll see you all in another 20 years!! This show is dedicated to my great friend and teacher, FRANK FRAZETTA! Frank left all of us this past May and he will truly never be forgotten! He was a great friend and a hell of a painter too!!

The one consoling thing about him passing on is that he is now with Ellie, his wife and love of over 50 years!!

Thanks to you all for coming out to our 20th anniversary show! I hope you find the magic in what we all have for the past 2 decades!!

-- Kevin Clement / Mr.Chiller
